

**CARDS AND KITS FOR USE IN ALERTING
OTHERS THAT ANIMALS ARE IN NEED OF CARE**

ABSTRACT OF THE DISCLOSURE

The card includes, in one embodiment, a substrate, emergency warning indicia disposed on the substrate, and indicia disposed on the substrate for requesting information and designating a printing area for identifying at least one of a) an address for locating the animal in need of care, and b) a contact person. In another embodiment, the card comprises first plastic wallet-sized substrate having emergency warning indicia and a second foldable paper substation having indicia disposed on the substrate for requesting information and designating a printing area for identifying an owner of the animal, an address of the owner, a contact person, veterinarian information, and a description of the animal. Kits include the card along with a sticker having emergency warning indicia corresponding to the card. The sticker is attachable to a building for locating the animal.
